

# Anytime

Herbert Lawson

[C] Any [A<sup>7</sup>] time you're feeling [D<sup>7</sup>] lonely  
Any [G<sup>7</sup>] time you're feeling [C] blue  
Any [F] time you feel down [C] hearted  
That will [D<sup>7</sup>] prove your love for me is [G<sup>7</sup>] true

[C] Any [A<sup>7</sup>] time you're thinking a [D<sup>7</sup>] bout me  
That's the [G<sup>7</sup>] time I'll be thinking of [E<sup>7</sup>] you  
So any [A<sup>7</sup>] time you say you [D<sup>7</sup>] want me back again  
That's the [G<sup>7</sup>] time I'll come back home to [C] you

[C] Any [A<sup>7</sup>] time your world gets [D<sup>7</sup>] lonely  
And [G<sup>7</sup>] you find true friends are [C] few  
Any [F] time you see a [C] rainbow  
That will [D<sup>7</sup>] be a sign the storm is [G<sup>7</sup>] through

[C] Any [A<sup>7</sup>] time will be the [D<sup>7</sup>] right time  
Any [G<sup>7</sup>] time at all will [E<sup>7</sup>] do  
So any [A<sup>7</sup>] time you say you [D<sup>7</sup>] want only my love  
That's the [G<sup>7</sup>] time I'll come back home to [C] you
