

## Ohana Limited Edition Concert, CK-42, Low G

During the worst of the pandemic, I came down with a serious case of UAS. :-) All beautiful instruments, but I find I only play one of them, so I need to cut back on my collection. All ukes kept humidified in cases.

- ✓ Solid Oregon Sinker Redwood top. (“Sinker redwood is old growth redwood recovered from a long underwater stay; structural changes in the wood make for enhanced tonal characteristics.”)
- ✓ Solid Rosewood back and sides
- ✓ Maple fretboards and bridge
- ✓ Low G Fremont Black Link Fluorocarbon strings
- ✓ Glossy finish
- ✓ 2 strap buttons
- ✓ Rope style binding
- ✓ Purchased from Mim’s Ukes one year ago
- ✓ Case available for \$20
- ✓ IN PERFECT CONDITION
- ✓ Will ship, but I live in Red Wing, so you could combine uke purchase with eagle watching at Colville Park (140 sighted last week.) Will add shipping cost to price.
