

Playing Notes

In My Own Little Corner

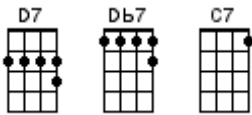

- Note that going from Bb to Bb6 you just remove one finger

- Going from Bm7 to C#m7 you just move the bar up two frets

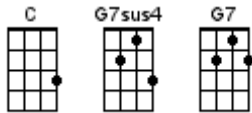

- Note Db7 is just D7 down one fret or C7 up one fret

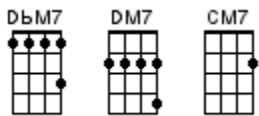

Ten Minutes Ago

- In going from the C to the G7sus4 to the G7 – play the C with your pinky, then add the G7 fingers – then remove the pinky

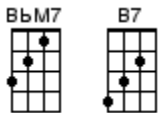

A Lovely Night

- Note that Dbmaj7 is just Dmaj7 down one fret or Cmaj7 up one fret

- Going from Bbmaj7 to B7 you just move up one fret

Impossible

- Note that the Ddim is the same shape as the Fdim in Ten Minutes Ago, each diminished shape has four different names- the four notes being played
