## GMUG Update #13 -

### 2024 GMUG Volunteers & Registration

**Volunteers -** Events like the Fall Jam, which includes GMUG, must have volunteers. **No volunteers, no event!** Our ukulele community has been great at volunteering in the past. Please help again! We need volunteers for a variety of tasks, both for the Fall Jam and GMUG. **Click on the Volunteer Button to see what help is needed and to sign up to volunteer.**

BUTTON!**

**Likely to Attend -** Except for the 3 hour beginner workshop series, registration is NOT required. **However, we schedule workshop rooms based on the number who are likely to attend certain workshops.** We do this for only the workshops where two are scheduled at the same time. Please help us make sure we put workshops in rooms that fit the number of attendees. **Click on the Likely to Attend Button to let us know which workshops you are likely to attend.**
