

More Pretty Girls Than One

Alton Delmore and Arthur Smith

Chorus [G] There's more pretty [D7] girls than [G] one
[C] More pretty girls than [G] one
[C] Every old town that I [G] rambled around
And there's more pretty [D7] girls than [G] one

[G] Mama talked to [D7] me last [G] night
She [C] gave me some good [G] advise
She said [C] "Son, you'd better quit this old [G] ramblin' all around
And marry you a [D7] sweet little [G] wife"

Chorus

[G] Look down that [D7] old lonesome [G] road
[C] Hang down your pretty head and [G] cry
'Cause I'm [C] thinking all about them [G] pretty little girls
And a-hopin' that I [D7] never [G] die

Chorus [G] There's more pretty [D7] girls than [G] one
[C] More pretty girls than [G] one
[C] Every old town that I [G] rambled around
And there's more pretty [D7] girls than [G] one

[G] Look down that [D7] railroad [G] line
[C] See the train roll [G] by
[C] Train rolls by with that [G] girl I love
And I hung my [D7] head and [G] cried

Chorus
