first notes a b

[Dm7] [G7]

[C] Night lights [C#dim] - those blues in the [Dm7] night [Dm6] lights
[D#dim] - Are no longer [C] bright lights since I'm without [A9] you [A7+5]
[D7] Sweet dreams oh where did they [Dm7] fly [G7] to
[C] You're gone [Am] and whom can I [Dm] cry [Dm7] to [Abdim] those

[C] Night lights [C#dim] - remind me of [Dm7] bright [Dm6] eyes
[D#dim] - And beautiful [C] white lies too good to be [A7] true
- As I go [Dm] on my [Dm6] way with [C] all my [Am7] heart I
[D7] Pray that those [Dm7] night lights [Dm6] will lead me to [C6] you

(Repeat)
