

What We Sing and Play at the Twin Cities Ukulele Club Jams, Song Sheet Formatting and Automatic Email Notification of Ukulele Events

General guidelines about Twin Cities Ukulele Club jams, materials and notifications. (4-1-21)

1. There may be a **song list for the Zoom jams**, but there will not be one for UkeAmericana. We will do our best to get the song list to Twin Cities Ukulele Club jammers before the Zoom jams.
2. **Sunday Evening Zoom Jams** - The Sunday Zoom Jam will use songs provided to the jam leader by jammers, Dropbox songs and songs in the Yellow and Blue books. Not all songs will be available on Dropbox, but the jam leader will show ALL of the jam songs on the screen as they are sung, including Yellow and Blue book songs. It is virtually impossible to project the Yellow and Blue book pages large enough for all to read the songs on some computers/tablets. You may want to bring your hard copy Yellow and Blue books to the jam. Jam information - <https://www.bluegrassfun.com/uke-zoom-jams.html> and <https://www.bluegrassfun.com/2-zoom-jams.html>.
3. **Wednesday Noon Zoom Jams** - The Wednesday Zoom Jam will use songs in the Twin Cities Ukulele Club Dropbox 1A ALL SONGS folder, along with songs provided to the jam leader by jammers well before the jam. The jam leader will show the songs on the screen as they are sung. We will **not** use the Yellow or Blue books or songs in these books at the Wednesday Jam. Jam information - <https://www.bluegrassfun.com/uke-zoom-jams.html> and <https://www.bluegrassfun.com/2-zoom-jams.html>.
4. **Thursday Evening In-Person UkeAmericana Jams** - Songs in the Dropbox 1A ALL SONGS folder, in the Favorite Old-Time Songs for Ukulele book, in the Daily Ukulele: 365 Songs for Better Living (Yellow Book), in the Daily Ukulele: Leap Year Edition (Blue Book), and songs provided to the jam leader by jammers well before the jam. If possible, the jam leader will send out these provided songs in advance. We will **not** pass out song sheets while the Covid-19 restrictions are in place. Jam information - <https://www.bluegrassfun.com/uke-americana-jams.html>.
5. **Dropbox songs** will come from only the Dropbox 1A ALL SONGS folder.
6. **Formatting for songs you provide for jams** - PLEASE — 1. Use the songs in Dropbox as a formatting example. 2. Convert songs to a PDF. 3. Try to use only one page for a song. 4. Try to use only one column for a song. 5. Include chord diagrams or numbers (like 3321) for unusual chords when using chord letters for chords. 6. Use the Nashville Numbering System numbers for chords when reasonable. 7. Put chords in brackets [] in the same line as the lyrics. 8. Use a clear font (preferably Arial), and a large font size (12 or 14).
